THIS MATTER came before the court on Tuesday, July 8, 2008, for hearing of defendant Oscar King's omnibus motions to compel discovery and to extend the date for filing of pre-trial motions. Plaintiff appeared by and through its attorney, Assistant U.S. Attorney Eric O'Malley; defendant appeared personally, and by and through his attorney, Mark B. Hanson. Defendant's translator was also present.

1 The parties informed the court that discovery had been provided to defendant,
2 but that several matters remained outstanding, including lab and field test results,
3 certain chain-of-custody forms, agent notes and memoranda, the redacted portions of
4 plaintiff's proposed Exhibit 10, and *Giglio* and *Henthorn* material. Plaintiff represented
5 to the court that material which has not yet been provided will be secured, reviewed,
6 and delivered to defendant unless there is an objection or plaintiff is not yet obligated
7 to turn over the material, in which case it will be provided at the proper time.
8 Plaintiff will supply to the court for its review a clean and a redacted version of
9 Exhibit 10. Any *Giglio* and *Henthorn* material will be provided to defendant when due
10 or upon its receipt by plaintiff. Accordingly,

14 IT WAS ORDERED, based upon the representations of plaintiff regarding

17 July 22, 2008, to file pre-trial motions.
18

19
20 If other discovery issues arise, the parties may approach the court informally
21 on short notice in an effort to resolve them, or file a motion.
